Report of School Board.

TO THE CITIZENS OF THE SCHOOL DISTRICT OF MADISON :

We herewith submit to you our annual report of the standing and progress of the schools for the year ending February 15, 1903.

Once more we are pleased to inform you that our schools have furnished quite satisfactory results, as a whole, and that the good work has been accomplished through the medium of the very competent teachers we were fortunate in securing, and the interest of the scholars. There are only a few matters to which we would respectfully invite your attention; and first is the importance of the fact, that parents in some instances should persuade their children to attend school more regularly, not only for the benefit of the absent, but for that also of the regular attendants, who are hindered in their studies by backward classmates. Mr. John H. Burke presented the Madison Corner school during the past year with a fine school globe, which was needed very much and which was very thankfully received. We trust the time is not far distant when a good globe will be in every school room in town. We also would herein mention that through the efforts of a teacher, Miss Alice J. Hobbs, and her pupils, the sum of \$5.32 was realized from spelling schools, which was applied towards the purchase of Webster's International Dictionary for the school room that was very much wanted and for which the teacher and her pupils are deserving of much credit, and which, we trust, will prove to be very useful.

JOSIAH H. HOBBS,
SAMUEL J. GILMAN,
JOHN H. PEARSON,
